EASTER – A TIME OF HOPE

Easter brings with it a time of hope and new beginnings. Easter embraces new opportunities when we can say with confidence “all is possible no matter what”.

Easter is rich in gifts and blessings. There is no recession in God’s love. Where the shadows of bereavement, unemployment and sickness exists, the Easter message contains a dawn that promises brighter days ahead.

Easter reminds us that we belong to a faith community at St. Lawrence’s parish. Faith is a wonderful gift. Over the past year I have experienced amazing faith, even in the midst of so many difficulties. We think of our Ukrainian friends and families at this time. This Easter Sunday morning they will be celebrating Mass in the Parish Centre.

We can never exaggerate the value of hope. I see hope witnessed in so many places familiar to us – loving parents and grandparents, enthusiastic young people, fun loving children and countless volunteers responding generously to so many needs in our community.

The resurrection of Jesus is the basis of our hope and gratitude. Thank you all for what you do in our parish.

Today let us open our hearts to the Risen Jesus so that we can bring his message of hope, peace and joy to those around us.

Easter Blessings to you all. HAPPY EASTER

FR. JOHN
