## World Day of the Sick - Love in Action

Last Tuesday we celebrated the Feast of Our Lady of Lourdes. Lourdes has become for so many of us a place of healing and renewal and the message of Lourdes – prayer and penance – is as important now as it was when Our Lady first appeared to St Bernadette over 150 years ago.

Suffering and sickness are the stuff of the human condition. Time and again when I have been to Lourdes, I have been struck by the joy and serenity of the malades – in some cases their joy has been tangible. In purely rational or worldly terms, they would seem to have very little, often in chronic pain and incapacitated to varying degrees. It is precisely this acceptance of the gift of life itself in spite of great suffering that makes their example so inspirational.

“Where love and charity are found, there is God”. Our Christian life is just that – a way of life and we are called to live out the Gospel values of loving our neighbour as ourselves. All of us suffer in some degree and none of us is immune from illness, whether it is physical, emotional or spiritual. The sacrament of the Anointing of the Sick is one of the most obvious and often efficacious ways in which we can recognise our complete trust in God and His healing power. For me, it has a special place in my affections; having myself been anointed several times in Lourdes over the years and now being the one who anoints, is a privileged encounter of accompaniment with our sick brothers and sisters. We should make use of this sacrament frequently – it is a sacrament of life and healing.

Our Lady is key to an understanding of Lourdes. It is she who asked that people should come in procession, bathe in the waters and drink at the stream. Miracles in Lourdes are fewer nowadays – advances in medical science and understanding of illness mean that what was once considered incurable is now, in many cases, curable. Nonetheless miracles do still occur and the authentication process remains rigorous. The regime at Lourdes has the sick at its centre – the “Lourdes day” is organised in such a way as to allow them to take the first place. Lourdes is a place where prayer and action meet and in giving, we as helpers and fellow pilgrims with our sick brothers and sisters, receive so much. When we give with no expectation of return, we receive so much more! There is one miracle that occurs each and every day at Lourdes and elsewhere too, where generosity of self and service is given – that miracle is the gifts of a full life and vibrant love. “Where love and charity are found, there is God”.

Let's pray for each other.

**Father John Louis**

## THE GOD WHO SPEAKS – SUNDAY MEDITATION

### Meditate

Every human action has two levels: the physical acts and the motivations which drive those actions. One flows into the other; they influence each other. Jesus says that evil comes from the heart, from our motivations; hence his message goes deep into the human heart so that the actions get transformed

### Act

Think of someone who has done a wrong to you. Following Jesus' invitation in the gospel, pray for them, wishing them God's blessings. Perhaps try to be good to them, if this is possible

### CAFOD FAIRTRADE FORTNIGHT

Many of you may not be aware that St. Lawrence's gained Fairtrade status in February 2014. This means that we should be serving Fairtrade teas/coffees at all of our parish events. Unfortunately for various reasons this has not been happening. However, at the recent PCC, it was decided to do our best to maintain our Fairtrade status, so in the future all teas/coffees served at St. Lawrence's are to be Fairtrade. Buying Fairtrade products will support our brothers and sisters in poorer countries and help protect them from exploitation. This year, Fairtrade Fortnight runs from **24<sup>th</sup> Feb to 8<sup>th</sup> March**. In preparation for this there will be a tea/coffee morning with sale of cakes after the 9 and 11am Masses on **Sunday 23<sup>rd</sup> February**. We are also being encouraged to buy Fairtrade products for our own personal use in our own homes. Our local supermarkets stock many Fairtrade products. A small change in our shopping habits can make a big difference to the lives of farmers, workers and their families in developing countries. For information on where to buy product visit <http://www.fairtrade.org.uk/Buying-Fairtrade>

## PALM AND CROSSES
