### Dear Friends

Last summer I had the privilege of visiting the site of the baptism of Our Lord Jesus Christ on the River Jordan in the Holy Land. I wasn't sure what I was expecting to see but in some ways I was a little disappointed. Because of the enormity of the event that happened there around 2000 years ago I had an expectation of a wide (perhaps even majestic) river, with crystal clear water meandering through the desert. What I actually saw was a narrow stream, no wider than three metres, with muddy waters which seemed to be almost stagnant. Additionally, the site of Jesus' baptism is over two hundred metres below sea level, at the lowest point on our planet.

I then wondered why Jesus chose to travel from Galilee to the River Jordan to begin his ministry. I suspect that it has everything to do with the location because in doing so he humbled himself in his humanity and therefore revealed to us his divinity. So now I'm thinking why was Jesus baptised at all? He had no sins to be forgiven and as he was the second person of the Blessed Trinity he already had divine life. So in Christ's baptism he is showing us through his baptism, what is happening to us in our baptism. Or to put it another way he didn't go into those waters of the River Jordan to be sanctified but to sanctify those waters. And in doing so he made those waters an instrument for our baptism, our salvation and our divine adoption.

I'm sure that most of you who are reading this won't remember your own baptisms because of course you were baptised as infants. But just as Jesus revealed his divinity in his baptism, our baptisms were the beginning of our divine lives, the day when we were born as sons and daughters of God.

Our baptisms brought us many gifts. God marked our souls as belonging to him as his beloved son or daughter, He cleansed our souls of sin, original sin if we were baptised as infants and personal sin if we were baptised after reaching the age of reason.

At our baptisms God placed divine life in our souls, and everything that is required for that divine life, virtue, faith, hope and charity, prudence, justice and fortitude. Additionally, God gave us the gifts of the Holy Spirit, wisdom, knowledge, counsel, piety and fear of the Lord, in fact everything we need for our divine lives has been given to us in "seed form" to be nourished and protected so we can all come to the fullness of life in Christ. Having divine life in our souls we become living members of the Body of Christ, so baptism is so much more than joining a club or a group.

The group that we have joined is our Church, with Christ as its head and with us as the living members.

Have a blessed week,

**Deacon Colin**

### THE GOD WHO SPEAKS – SUNDAY MEDITATION

#### Meditate

At his baptism Jesus is revealed as the Son, the Beloved on whom God's favour rests. At the same time the Spirit is visible as a dove and the Father speaks. All of us have moments of light where God is close to us. We need to carry them within us so that when, we go through darkness, we do not give up.

#### Act

You could spend some time in prayer meditating the second mystery of light, thinking of those moments of light in your life which precede and support your mission and life.
