Mark 4:26-34

In the
GOSPEL TODAY

GROWING FOR GOD!

Jesus says the kingdom of God is like a tiny seed which grows into the biggest shrub of all. This shrub then protects and helps the birds by giving them shade with its branches.

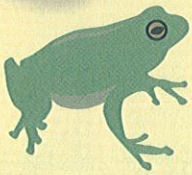

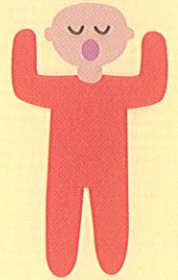

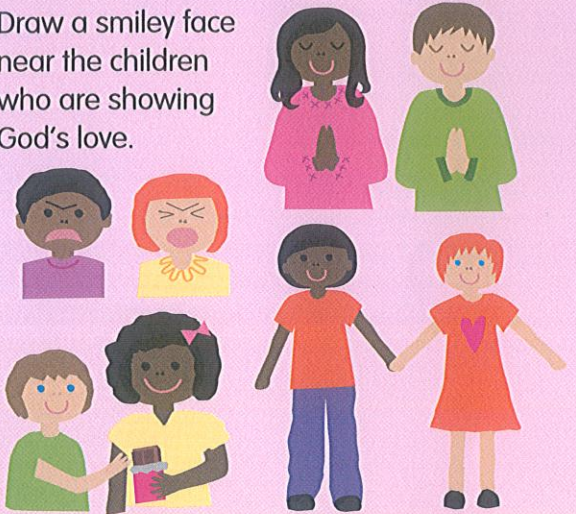

Spot the difference

Look at these two huge trees. Draw a circle around six differences in this tree.

Odd one out

Draw a smiley face near the children who are showing God's love.

Little to big

Draw a line between each of these little things and the big thing they will grow into.

Birds and their nests

The tiny mustard seed grows big enough for birds to nest in its branches. Draw some birds in their nests in this tree.

A PRAYER TO SAY

Dear Jesus, please help me grow up to be a kind and loving person. Give me the determination to help out at home and school, even when I would rather do something else. Amen.
